### Make and Collect Payments Fast, Easy and Safe

At Wright-Patt Credit Union® (WPCU®), our Business Services team wants to make sure that our members have the tools they need to succeed in today's competitive business environment. That's why we provide a complete suite of products and services upon which every business relies, including online ACH and Wire Transfer services.

### ACH (Automated Clearing House) Transfers

- Give businesses the ability to collect payments from customers and clients as well as process vendor and employee payroll payments.
- Allow businesses to schedule future-dated payments.
- Provide a complete payment history that businesses can review and manage.
- Eliminate the need for physical checks – payments can be made electronically.
- Use WPCU's Online Banking system – there is no additional login information for businesses to maintain.

### Wire Transfers

- One of the fastest ways for businesses to transfer money, wire transfers provide members the ability to use WPCU's Online Banking system to submit wire requests – there's no need to visit or call a Member Center.
- Save payee information for use with future wire transactions.
- Eliminate the need for business members to sign each time they use a wire transfer.
